IT Quiz organised

DEHRADUN, SEPTEMBER 28

The computer department of Unison World School organised an inter-house IT Quiz for the students of Grade IX and Grade XI. The quiz was conducted in five rounds, namely hack your brain, visual round, fundamentals of computer, latest gadgets and rapid fire round.

The participants exhibited their IT skills in the five rounds of grilling quizzing with Daffodil House winning the quiz after fetching 120 points. Jasmine House and Orchid House shared the second position after getting 100 points each. Tulip House was the second runner-up after scoring 95 points. — TNS
